

Title: **Audit Senior**

Location: Omaha, NE

JOB SUMMARY

The Creative Planning Business Services **Audit Senior** works to provide excellent attest preparation services in a variety of industries as a member of BerganKDV*. The Audit Senior plays a key role in executing audit engagements while contributing to the success of the broader audit team. This position is responsible for carrying out the audit plan as developed by the engagement team and ensuring high-quality client service.

Audit Seniors are actively involved in identifying areas for process improvement, enhancing technical skills, and supporting firm initiatives. They serve as both contributors and leaders on audit engagements, performing test work, managing assigned projects, and providing input on client financial statements. In addition, they help foster strong client relationships built on trust and professionalism.

JOB DUTIES

- Prepares basic and advanced work papers, including clear and concise written documentation; drafts reports including footnotes and management and required communication letters.
- Keeps current on and applies basic accounting standards and education.
- Effectively follows instruction and meets time budgets and deadlines for assigned areas, projects and overall assignments.
- Understands and adheres to client confidentiality standards, demonstrating awareness of firm's risk management policies and procedures, by identifying and referring ethical, independence and conflict issues to manager and/or partner.
- Develops open and cordial oral and written communication with appropriate client personnel to facilitate good relations and exceptional client service, communicating with all levels within the client's organization, both orally and in writing.
- Develops strong understanding of client's business to identify issues and provide constructive service suggestions.
- Develops understanding of service offerings within, and across lines of service to identify opportunities to meet client's needs.
- Be a resource for audit associates and interns. This may include technical training and providing feedback on client engagements.
- Support the growth and professional development of yourself and your teammates by participating in company sponsored trainings, CPE courses, internal committees, and mentorship opportunities.
- Actively participate in firmwide meetings, committees and teams.
